Solve. Color. Discover!

Big squares, simple numbers, and a surprise picture on every page!
Little learners match numbers to colors and watch
a cute animal, vehicle or treat appear.

- **100 original mystery pictures with extra-big squares**
- **Numbers 1-5, then 1-8, then 1-10**
- **Single-sided pages - no bleed-through**
- **Color test page, progress tracker and answer key**
- **Builds number recognition, color names and fine motor skills**
