Solve. Color. Discover!

Learn Spanish one mystery picture at a time!
Read the Spanish word, find its color in the code,
and discover the hidden picture. Every code shows the English meaning.

- **100 original mystery pictures**
- **5 themes: colors, numbers, animals, food, everyday words**
- **English meaning in every code key - no Spanish needed to start**
- **Single-sided pages, answer key and progress tracker**
- **Great for bilingual families, classrooms and homeschool**
